**“Municipal Historians and Municipal Clerks of Orange County”**

The Orange County Genealogical Society is inviting all Historians and Clerks of Orange County to visit our Research Room for a tour of our facility at the 1841 Historic Courthouse, 101 Main Street, Goshen, NY on Saturday, October 7, 2017, from 10:00AM-Noon. You are welcome to bring other interested persons with you. Feel free to send a representative if you are unable to come yourself.

We have acquired many valuable resources over the past 46 years with a section dedicated to each of the 20 towns of Orange County. Some towns have a great representation of materials yet others are very sparse.

We are sure there are other books, pamphlets, or other type records which would be valuable to our collection. We are hoping some of you can help us to expand our holdings for YOUR TOWN/VILLAGE/CITY, by advising us of other publications or records that may be available for purchase or as a donation.

We also realize there are many records available only at the municipality level. Please advise us of your record holdings so we may share this information with our researchers.

**Refreshments will be available**

**The Open House is free and open to the public with an emphasis on the Historians and Clerks or their representatives.**

Please advise us if you will be attending by sending an email with subject heading “Open House” to: [ocgsny@gmail.com](mailto:ocgsny@gmail.com). Be sure to put your name and municipality in the body of the email. This is a “No Response” email address.
